

# PD DR.MED. MARTIN HÜBNER

## BIOSKETCH & LINKS

---

Martin Hübner is a full-time clinician who currently works as consultant for colorectal surgery at Lausanne University Hospital (CHUV), Switzerland. He is in charge of the treatment of Peritoneal Surface Malignancies offering HIPEC and Pressurized Intraperitoneal Aerosol Chemotherapy (PIPAC) with one of the largest experiences with this new approach.

Born 1975 in Böblingen (Germany), Martin Hübner attended Medical School in Freiburg and Hamburg (German state examination 2002, doctoral level in electrophysiology). He pursued surgical training in Switzerland (surgical boards 2008) and performed sub-specialty training in colorectal surgery at Mayo Clinic, Rochester MN. He passed European (EBSQ coloproctology) and Swiss Specialty boards (FMH Visceral Surgery) in 2012 and 2013, respectively.

Martin Hübner leads an active clinical research program on enhanced recovery after surgery (ERAS) and perioperative nutrition in particular (100+ scientific articles and PI of 6 RCTs). As scientific expert, he co-authored several recent evidence-based guidelines for ERAS and perioperative nutrition (ESPEN) and works as editor for Gastroenterology R&P, World J Surg, and World J Gastroenterol.
